CITY OF BOSTON
AUDITING DEPARTMENT
CITY HALL

January 1, 1958.

HON. JOHN B. HYNES,
Mayor of the City of Boston.

DEAR SIR:

In compliance with the provisions of chapter 3, section 24, and chapter 6, section 8, of the Revised Ordinances of 1947, I herewith submit my report of the receipts and expenditures of the City of Boston and the County of Suffolk for the year commencing January 1, 1957, and ending December 31, 1957, together with miscellaneous tables and statistics.

Cash Operations

The accounts and records for the year 1957 indicate that actual expenditures for ordinary maintenance and operation exceeded the total of tax and ordinary revenue receipts by \$1,198,117.45. Reference to Exhibit B-2 will indicate that tax levy estimated revenues and credits exceeded actual operating revenues by \$13,606,842.58 and that tax levy appropriations exceeded actual operating expenditures by \$12,408,725.13. The accumulated operating deficit as of December 31, 1957, amounted to \$36,079,922.82, comprised of the following factors:

Uncollected Taxes—Levies of 1957 and Prior	\$18,549,066.00
Abatements in Excess of Overlay Reserves—Levies of 1956 and Prior	11,327,457.70
Revenue Deficit	11,772,606.79
	<hr/>
	\$41,649,130.49
Deduct:	
Tax Refunds Authorized but not Paid	\$851,918.35
Tax Title Refunds Authorized but not Paid	6,985.62
Overlay Reserved for Abatements—Levy of 1957	4,710,303.70
	<hr/>
	5,569,207.67
	<hr/>
	<u>\$36,079,922.82</u>

During the year, the legislature enacted chapter 717, Acts of 1957, an act to provide for the funding of certain overlay and other deficits. A brief résumé of this statute follows:

1. The city of Boston is authorized to borrow \$45,000,000.00 before January 1, 1959, outside the debt limit, to be repaid within twenty years.

2. The amounts to be borrowed are to be used for two objects:—(a) to provide for abatements of taxes levied in 1956 and prior years which were granted since January 1, 1956, and which may be granted before December 31, 1959, and (b) to provide for the net operating deficit as of December 31, 1956.

3. The amount of short term loans issued in anticipation of revenue which can be outstanding on December thirty-first of any year is limited to the total of outstanding real estate, personal property and poll taxes for such year and the preceding year.

4. An overestimate of receipts must be appropriated in the succeeding year's tax levy.

5. Estimated revenues used in the computation of the tax levy, except those revenues estimated by the state tax commissioner, cannot exceed the actual receipts from the same source in the preceding year.

6. The proceeds of any tax title loan are restricted to the repayment of short-term debt issued in anticipation of revenue.

7. The amount of \$7,919,380.00 to be paid to the city of Boston by the Massachusetts Port Authority for the transfer of the Sumner Traffic Tunnel can be used, after appropriation by the City Council and Mayor, only for purposes for which debt could be issued outside the debt limit.

In 1957, ten million dollars was issued as authorized and applied as follows: (a) overlay deficits as of December 31, 1956—\$5,305,789.79, and (b) reduction of revenue deficit—\$4,694,210.21. The remaining thirty-five million dollars authorized will be issued in 1958, and will be applied to liquidate: (a) the overlay deficits in the amount of \$11,327,457.70 as of December 31, 1957; (b) the balance of the revenue deficit as of December 31, 1956, in the amount of \$11,488,329.78; and (c) the amount of \$12,184,212.52 will be available to provide for future abatements of taxes for the levies of 1956 and prior years.

Debt Operations

During 1957 the gross funded debt increased by \$8,837,000.00 and the net funded debt increased by \$12,180,660.82. Debt was issued during the year in the amount of \$21,250,000.00 and the redemption of debt amounted to \$12,413,000.00. Resources reserved for the redemption of debt decreased during the year by \$3,343,660.82. Outstanding short-term debt as of December 31, 1957, was \$25,000,000.00 as compared with \$28,000,000.00 at the close of the previous fiscal year. Tax title loans outstanding on December 31, 1957, amounted to \$1,350,251.58.

Revenue Department Operations

Water service revenues for the year were in excess of operating expenditures in the amount of \$97,607.45. This amount will be available in 1958 for the redemption of city debt. Income received during the year and available funds amounted to \$6,520,776.00. Expenditures and reserves for incurred obligations amounted to \$6,423,168.55.

Operation of the Sumner Traffic Tunnel resulted in a surplus of \$1,194,586.30. This amount will be deposited in a sinking fund for the redemption of Traffic Tunnel Retirement Loan debt. Income received during the year and available funds amounted to \$2,621,066.52. Maintenance and operating expenses, redemption of debt and interest on Traffic Tunnel Retirement debt, and reserves for incurred obligations amounted to \$1,426,480.22.

Conclusion

During the fiscal year 1957, all known obligations of the city were either paid in full or adequate reserves were established to provide for their ultimate payment. All funded and short-term debt obligations were paid when due. Interest payments on all forms of outstanding debt were promptly made.

The form of this report follows closely that recommended by the National Committee on Municipal Accounting. Under the present accounting procedure of the city, accounts are maintained on a modified accrual basis. Taxes and accounts receivable are accrued for balance sheet and control purposes but are not reflected in the receipts of the city until collected.

Respectfully,

JOSEPH P. LALLY,
City Auditor and Auditor of the County of Suffolk.
